

SABCS Disclosure Report
2009

Program #	Title	F.Name	L. Name	Disclosure Information
Committee Member	N/A	Kathy	Albain	Dr. Albain has no relevant financial relationships to disclose.
Committee Member	N/A	D. Craig	Allred	Dr. Allred has no relevant financial relationships to disclose.
Year in Review Speaker/Committee Member	Translational Insights for Clinical and Practice	Carlos	Arteaga	Dr. Arteaga has disclosed that he is a consultant/advisor for Lunexus, Monogram, AstraZeneca, GSK and Roche.
Poster Discussion Session 9 Discussant/Committee Member	N/A	Banu K.	Arun	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	Sunil	Badve	Dr. Badve has no relevant financial relationships to disclose.
Poster Discussion Session 7 Discussant/Committee Member	N/A	Jose	Baselga	Dr. Baselga has disclosed that he is a consultant/advisor for Exelixis, Merck and Novartis.
Case Discussion Panelist/Committee Member	N/A	Barbara	Beckwith	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	Christopher	Benz	Dr. Benz has no relevant financial relationships to disclose.
Plenary Speaker	An epidemiological perspective on the causes and prevention of breast cancer	Valerie	Beral	Dr. Beral has no relevant financial relationships to disclose.
Committee Member	N/A	Kapil	Bhalla	Dr. Bhalla disclosed that he does scientific studies/trials for Novartis. He also disclosed that he receives honorarium from Merck and Novartis.
Committee Member	N/A	Angela	Brodie	Dr. Brodie has disclosed that she is consultant/advisor with Syndax and is a meeting participant/lecturer for Novartis.
Educational Session Moderator/Committee Member	Breast Cancer Prevention	Powel	Brown	Dr. Brown has disclosed that he the recipient of grant funding from Eli Lilly.
Committee Member	N/A	Joan	Brugge	Information not available at press time. Visit SABCS.org for disclosure information.
Case Discussion Panelist	N/A	Thomas	Buchholz	Dr. Buchholz has no relevant financial relationships to disclose.
Committee Member	N/A	Harold	Burstein	Dr. Burstein has no relevant financial relationships to disclose.
Committee Member	N/A	Ann F.	Chambers	Dr. Chambers has no relevant financial relationships to disclose.
Committee Member	N/A	Gary	Chamness	Dr. Chamness has no relevant financial relationships to disclose.
Moderator	Emerging use of nanotechnology in cancer diagnosis and therapy; Case Discussions 1 and 2	Jenny	Chang	Dr. Chang has no relevant financial relationships to disclose.

SABCS Disclosure Report
2009

Committee Member	N/A	Shiuan	Chen	Dr. Chen has no relevant financial relationships to disclose.
Committee Member	N/A	Rowan	Chlebowski	Dr. Chlebowski has disclosed that he is a consultant/advisor for AstraZeneca, Novartis, Pfizer, Amgen, Genentech, Genomic Health and Agendia. He has also disclosed that is is also a meeting participant/lecturer for AstraZeneca, Novartis and Sanofi Aventis.
Moderator: Basic Science Forum "Controversies in Breast Cancer Models for Drug Development"	Controversies in Breast Cancer Models for Drug Development	Lewis	Chodosh	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	Charles	Coltman	Dr. Coltman has disclosed that he is a scientific advisor for Seno Medical.
Committee Member	N/A	Massimo	Cristofanilli	Dr. Cristofanilli has no relevant financial relationships to disclose.
Case Discussion Panelist/Committee Member	N/A	Richard	Crownover	Information not available at press time. Visit SABCS.org for disclosure information.
Plenary Speaker/Moderator Basic Science Forum: Can We Measure Tumor Dormancy and Does it Matter?/Committee Member	New paradigms in tumor immunotherapy	Tyler	Curiel	Dr. Curiel has disclosed that he is a consultant/advisor with Tolerx and Eisai. He has also disclosed that he is an investigator for Eisai and he does scientific study/trials for Eisai Pharmaceuticals.
Educational Session "Breast Cancer Prevention" Speaker	Advances in Preventive Therapy	Jack	Cuzick	Dr. Cuzick has no relevant financial relationships to disclose.
Mini-Symposium 3 "Local Control and Long-term Survival" Speaker	Update on the EBCTCG's studies on the relationship between local treatment and long-term survival	Sarah	Darby	Dr. Darby has no relevant financial relationships with commerical interest to disclose.
Committee Member	N/A	Nancy	Davidson	Dr. Davidson has no relevant financial relationships to disclose.
Committee Member	N/A	Elizabeth Claire	Dees	Dr. Dees disclosed that she does scientific study/trials for GSK, BMS, Genetech, Millennium, Novartis, Roche and Pfizer.
Committee Member	N/A	Mary	Disis	Dr. Disis disclosed that she is a consultant/advisor for VentiRx and an investigator for GlaxoSmithKline.
Case Discussion Panelist	N/A	J. Michael	Dixon	Dr. Dixon has no relevant financial relationships to disclose.
Basic Science Forum "Is Extranuclear Estrogen Receptor (Ir)relevant?" Speaker/Committee Member	Membrane ER in endocrine resistance in the lab and the clinic: should we be convinced?	Mitchell	Dowsett	Dr. Dowsett has disclosed that he is a consultant/advisor with AstraZeneca, Novartis and Roche. He has also disclosed that he does scientific study/trials for AstraZeneca, Novartis, Roche and GSK.
Committee Member	N/A	Richard	Elledge	Information not available at press time. Visit SABCS.org for disclosure information.

SABCS Disclosure Report
2009

Case Discussion Panelist/Committee Member	N/A	Laura	Esserman	Dr. Esserman has no relevant financial relationships to disclose.
Committee Member	N/A	Francisco	Esteva	Dr. Esteva has disclosed that he is a consultant/advisor with Biogen IDEC, Inc., Incyte Corp. and Prometheus Labs. He has also disclosed that he does scientific study/trials for Genentech, GSK and Novartis. He is also an investigator for trials sponsored by Genetech, GSK and Novartis at MD Anderson Cancer Center.
Mini-Symposium 1 "Emerging use of nanotechnology in cancer diagnosis and therapy" Speaker	Engineered polymeric nanoparticles for therapeutic and diagnostic application	Omid	Farokhzad	Dr. Farokhzad has disclosed that he is a board member/officer/trustee for BIND Biosciences/Selecta Biosciences. He has also disclosed that he is a consultant/advisor with BIND Biosciences/Selecta Biosciences and SAB.
General Session 1 Moderator/Committee Member	N/A	John	Forbes	Dr. Forbes has no relevant financial relationships to disclose.
Committee Member	N/A	Margaret	Foti	Dr. Foti has no relevant financial relationships to disclose.
Moderator: Basic Science Forum/Committee Member	Is Extranuclear Estrogen Receptor (Ir)relevant?	Suzanne	Fuqua	Dr. Fuqua has no relevant financial relationships to disclose.
General Session 3 Moderator	N/A	Patricia	Ganz	Information not available at press time. Visit SABCS.org for disclosure information.
Educational Session "Breast Cancer Prevention" Speaker/Committee Member	Breast Cancer Prevention	Judy	Garber	Dr. Garber has no relevant financial relationships to disclose.
Committee Member	N/A	Cindy	Geoghegan	Ms. Geoghegan has no relevant financial relationships to disclose.
Committee Member	N/A	Luca	Gianni	Dr. Gianni has disclosed that he is a consultant/advisor with Roche, GSK, Pfizer, Takeda and Eisai.
Committee Member	N/A	Matt	Goetz	Dr. Goetz has no relevant financial relationships to disclose.
Mini-Symposium 2 "Host-related Factors in Breast Cancer" Speaker	Obesity, Insulin Resistance and Insulin	Pamela	Goodwin	Dr. Goodwin has no relevant financial relationships to disclose.
Case Discussion Panelist/Committee Member	N/A	Paul	Goss	Dr. Goss has no relevant financial relationships to disclose.
Committee Member	N/A	William	Gradishar	Dr. Gradishar has disclosed that he is a consultant/advisor for Abraxis, BMSO, Aventis, GSK, Genomic Health and Novartis. He has also disclosed that he is an investigator for Onyx/Bayer, ECOG, GSK and BMSO. He also disclosed that he does scientific studies/trials for Onyx/Bayer.
General Session 2 Moderator	N/A	Julie	Gralow	Dr. Gralow has no relevant financial relationships to disclose.

SABCS Disclosure Report
2009

Basic Science Panel Discussions: Controversies in Breast Cancer Models for Drug Development Speaker	Pre-clinical models for development of marker guided therapy in breast cancer	Joe	Gray	Dr. Gray has disclosed that he is a consultant/advisor with Cytokinetics, Inc., Agendia, Cepheid, Sirna/Merck and New Leaf Ventures.
Basic Science Panel Discussions: Controversies in Breast Cancer Models for Drug Development Speaker	Our Inner Mouse: Genomic Insights From Mouse Mammary Cancer Models to Guide Pre-clinical Testing	Jeffrey	Green	Dr. Green has no relevant financial relationships to disclose.
Brinker Award Speaker		Geoffrey	Greene	Information not available at press time. Visit SABCS.org for disclosure information.
Mini-Symposium 2 "Host-related Factors in Breast Cancer" Speaker	Events in the bone micro-environment: Mechanisms of action of bisphosphonates and other agents	Theresa	Guise	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	M. Carolina	Gutierrez	Information not available at press time. Visit SABCS.org for disclosure information.
Mini-Symposium 3 "Local Control and Long-term Survival" Moderator and Speaker/Committee Member	How the '4:1 ratio' will likely change with increasingly effective systemic therapy	Jay	Harris	Dr. Harris has no relevant financial relationships to disclose.
General Session 6 Moderator/Committee Member	N/A	Daniel F	Hayes	Dr. Hayes has disclosed that he owns stock in Oncimmunme. He has also disclosed that he is a consultant for Curalogic SAB, Incyte Corp, DNA Repair and Compendia Bioscience and that he has received honoraria from Sanofi-Aventis, GlaxoSmithKline and Pfizer. He has also disclosed that he has received sponsored clinical research from AstraZeneca, GlaxoSmithKline, Pfizer, Novartis, Wyeth-Ayerst Genetics Institute and Veridex (Johnson & Johnson).
Committee Member	N/A	Dawn	Hershman	Dr. Hershman has no relevant financial relationships to disclose.
Educational Session "Clinical Trials 102: New Strategies in Targeted Therapy Clinical Trials" Speaker/General Session 6 Moderator/Committee Member	Clinical Trials 102: New Strategies in Targetted Therapy Clinical Trials	Susan	Hilsenbeck	Dr. Hilsenbeck has no relevant financial relationships to disclose.
General Session 1 Discussant	N/A	Michelle	Holmes	Information not available at press time. Visit SABCS.org for disclosure information.
Year in Review Speaker/Poster Discussion 6 Discussant/Committee Member	Metastatic Breast Cancer	Clifford	Hudis	Dr. Hudis has disclosed that he is a consultant/advisor with Amgen, BMS, Novartis, Pfizer and sanofi-aventis. He has also disclosed that he is an investigator for AstraZeneca, BMS and Onyx Pharmaceuticals.
Committee Member/Case Discussion Panelist	N/A	Krysti	Hughett	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	Kelly	Hunt	Dr. Hunt has no relevant financial relationships to disclose.

SABCS Disclosure Report
2009

General Session 3 Moderator	N/A	Shelley	Hwang	Dr. Hwang has disclosed that she is the recipient of research grants from Novartis and Merck.
Committee Member	N/A	Dirk	Iglehart	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	Debra	Ikeda	Information not available at press time. Visit SABCS.org for disclosure information.
Moderator: Clinical Science Forum/Committee Member	Controversies in Adjuvant Chemotherapy	James	Ingle	Dr. Ingle has no relevant financial relationships to disclose.
Educational Session "The Basics of Epigenetics, and its Biological and Clinical Relevance" Speaker	Epigenetic Therapy - Past, Present, Future	Jean-Pierre	Issa	Dr. Issa has disclosed that he is a consultant/advisor with MGI Pharma and Eisai. He has also disclosed that he is an investigator for Celgene, MGI Pharma and Eisai and he does scientific study/trials for Celgene, MGI Pharma and Eisai.
General Session 4 Moderator/Poster Discussion 4 Discussant/Committee Member	N/A	Stephen	Johnston	Dr. Johnston has no relevant financial relationships to disclose.
Committee Member/Case Discussion Panelist	N/A	Walter	Jonat	Dr. Jonat has no relevant financial relationships to disclose.
Brinker Award Speaker		Benita	Katzenellenbogen	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	Manfred	Kaufmann	Dr. Kaufmann has no relevant financial relationships to disclose.
Poster Discussion Session 10 Discussant/Committee Member	N/A	Seema	Khan	Dr. Khan has no relevant financial relationships to disclose.
Committee Member	N/A	Rakesh	Kumar	Dr. Kumar has no relevant financial relationships to disclose.
Year in Review Speaker/Committee Member	Implications of Recent Advances in Basic Research	Adrian	Lee	Dr. Lee has disclosed that he is a consultant/advisor with Roche. He has also disclosed that he is a meeting participant/lecturer for Pfizer and he does scientific study/trials for Pfizer.
Committee Member	N/A	Jessica	Leung	Dr. Leung has no relevant financial relationships to disclose.
Basic Science Panel Discussions "Is Extranuclear Estrogen Receptor (I α) relevant?"	Extra-nuclear ER α and ER β signal to breast cancer cell biology	Ellis	Levine	Dr. Levine has no relevant financial relationships to disclose.
Committee Member	N/A	Rong	Li	Dr. Li has no relevant financial relationships to disclose.
Poster Discussion Session 8 Discussant/Committee Member	N/A	Charles	Loprinzi	Dr. Loprinzi has no relevant financial relationships to disclose.
Committee Member	N/A	Anthony	Lucci	Dr. Lucci has no relevant financial relationships to disclose.
Committee Member	N/A	Andreas	Makris	Dr. Makris has disclosed that he is a consultant/advisor for Roche, Novartis and Pfizer. He has also disclosed that he does scientific study/trials for Roche.

SABCS Disclosure Report
2009

Committee Member	N/A	David	Mankoff	Information not available at press time. Visit SABCS.org for disclosure information.
Case Discussion Panelist		Kathy	Miller	Dr. Miller has disclosed that she is the recipient of a research grant from Genentech. She has also disclosed that she is on the speaker's bureau for Genentech.
Committee Member	N/A	William	Miller	Dr. Miller has no relevant financial relationships to disclose.
Educational Session "Technologies for Translational Research" Speaker	Technological needs for realizing the opportunities offered by personalized medicine	Gordon	Mills	Dr. Mills has disclosed that he is a consultant for Amira Pharmaceuticals, Inc., Genentech, Inc., Genome British Columbia, GSK, Semafore Pharmaceuticals and Signal Pharmaceuticals, LLC. He has also disclosed that he is on the scientific/advisory Arexis Biotechnologies, Committee Member with The Canada Foundation for Innovation, Catena Pharmaceuticals, N-of-One Oncology Council and PTV Sciences, LP. Dr. Mills also has stock options with Arexis Biotechnologies and Lpaph Therapeutics, Inc. and he is a speaker/preceptorship with GSK and M.D. Anderson Cancer Center
Mini-Symposium 3 "Local Control and Long-term Survival" Moderator and Speaker/Committee Member	Minimizing Local Recurrence: What's proven, what's not	Monica	Morrow	Dr. Morrow has disclosed that she is an officer with Society of Surgical Oncology.
Committee Member	N/A	Pamela	Munster	Dr. Munster has no relevant financial relationships to disclose.
Committee Member	N/A	Hyman	Muss	Dr. Muss has disclosed that he a consultant for Pfizer, Amgen, Roche, Bristol Myers Squibb and Boehringer-Ingelheim. He has also disclosed that he does scientific study/trials at UNC-not PI on any project. He is also a board member with the ASCO Cancer Foundation (TACF).
General Session 2 Moderator	N/A	Patrick	Neven	Dr. Neven has no relevant financial relationships to disclose.
Educational Session "The Basics of Epigenetics, and its Biological and Clinical Relevance" Speaker	What is the Histone Code, and why is it important?	Steffi	Oesterreich	Dr. Oesterreich has no relevant financial relationships to disclose.
Committee Member	N/A	Olopade	Olufunmilayo	Dr. Olopade has no relevant financial relationships to disclose.
Committee Member	N/A	Ruth	O'Regan	Dr. O'Regan has disclosed that she does scientific study/trials for Genentech, Sanofi-Aventis, Pfizer and Novartis.
Moderator: Educational Session/Year in Review	RNAi and Target Discovery	C. Kent	Osborne	Dr. Osborne has disclosed that he is a consultant/advisor with GlaxoSmithKline.

SABCS Disclosure Report
2009

Case Discussion Panelist/Committee Member	N/A	Joyce	O'Shaughnessy	Dr. O'Shaughnessy has disclosed that she is a consultant/advisor with Lilly, BMS, Sanofi-Aventis, Merck, J & J, Abraxis and Caris MPI.
Committee Member	N/A	Klaus	Pantel	Dr. Pantel has no relevant financial relationships to disclose.
Case Discussion Panelist		Mark	Pegram	Dr. Pegram has no relevant financial relationships to disclose.
Committee Member	N/A	Edith	Perez	Dr. Perez has no relevant financial relationships to disclose.
AACR Outstanding Investigator Award Speaker/Educational Session "Technologies for Translational Research" Moderator and Speaker	Therapeutic Implications of the Molecular Portraits of Breast Cancer/Overview of Translational Technologies and Gene Expression Profiling	Charles	Perou	Dr. Perou has disclosed that he is a consultant/advisor with Roche, Bristol Meyers Squibb, Eli Lilly and PharmaMar. He has also disclosed that he has investment interest with University Genomics. Dr. Perou also received grant support from Roche, Bristol Meyers Squibb and Eli Lilly.
William L. McGuire Memorial Lecture/Educational Session "Clinical Trials 102: New Strategies in Targeted Therapy Clinical Trials" Speaker	International Breast Cancer Research: Launching an Expedition to the Moon	Martine	Piccart	Dr. Piccart has disclosed that she is a consultant/advisor with Ablyn, Adventrix, AstraZeneca, Boehringer, DiaGenic, Exelixis, GSK, Ipsen, Johnson & Johnson (Janssen), Merck, Onyx, Pfizer, Pharmion, Roche, Sanofi-Aventis, and Wyeth. He has also disclosed that she is a meeting participant/lecturer for F. Hoffman-La Roche, GSK and Roche. Dr. Piccart also also participates as a data monitoring board for Novartis and has a marketing research agreement with Phoenix Marketing Int.
Committee Member	N/A	Lori	Pierce	Dr. Pierce has no relevant financial relationships to disclose.
Committee Member	N/A	Jennifer	Pietenpol	Dr. Pietenpol has no relevant financial relationships to disclose.
Committee Member	N/A	Kornelia	Polyak	Dr. Polyak has disclosed that she is a consultant/advisor for Novartis and Xceed Molecular. She has also disclosed that she is an investigator for Novartis (sponsored reasearch) and Areo Pharma (stock options).
Committee Member	N/A	Dean	Post	Mr. Post has no relevant financial relationships to disclose.
General Session 1 Moderator/Committee Member	N/A	Kathleen	Pritchard	Dr. Pritchard has disclosed that she is a board member for ASCO, Board of Directors. She has also disclosed that she is a consultant/advisor for Pfizer, AstraZeneca, Novartis, Roche and Amgen. She is also a meeting participant/lecturer for Amgen, Pfizer, AstraZeneca and Novartis.
General Session 4 Moderator		Lajos	Pusztai	Dr. Pusztai has no relevant financial relationships to disclose.

SABCS Disclosure Report
2009

Committee Member	N/A	Joseph	Ragaz	Dr. Ragaz has no relevant financial relationships to disclose.
Clinical Science Forum "Controversies in Adjuvant Chemotherapy" Speaker/Committee Member/Mini-Symposium 2 Moderator	Are there groups of patients who don't benefit from chemotherapy?	Peter	Ravdin	Dr. Ravdin has disclosed that he is a consultant for Adjuvant, Inc.
Committee Member	N/A	Abram	Recht	Dr. Recht has disclosed that he is a consultant/advisor with Radiation Oncology Medical Advisory Board and Care Core Oncology, Inc.
Committee Member		Kaladhar	Reddy	Information not available at press time. Visit SABCS.org for disclosure information.
Committee Member	N/A	Andrea	Richardson	Dr. Richardson has no relevant financial relationships to disclose.
General Session 5 Moderator/Committee Member	N/A	Mothaffar	Rimawi	Dr. Rimawi has no relevant financial relationships to disclose.
Committee Member	N/A	Mary	Rose	Information not available at press time. Visit SABCS.org for disclosure information.
General Session 5 Moderator/Committee Member	N/A	Hope	Rugo	Dr. Rugo has no relevant financial relationships to disclose.
Committee Member	N/A	Hironobu	Sasano	Dr. Sasano has no relevant financial relationships to disclose.
Basic Science Forum Moderator/Committee Member	Is Extranuclear Estrogen Receptor (Ir)relevant?	Rachel	Schiff	Dr. Schiff has no relevant financial relationships to disclose.
Basic Science Forum "Can We Measure Tumor Dormancy and Does it Matter?" Speaker	Cancer Immunoediting: Immunologic Control and Sculpting of Cancer	Robert	Schreiber	Dr. Schreiber has no relevant financial relationships to disclose.
Case Discussion Panelist		Emily	Sedgwick	Information not available at press time. Visit SABCS.org for disclosure information.
Plenary Speaker	Target the PI3K/AKT/ mTOR pathway in cancer	William	Sellers	Information not available at press time. Visit SABCS.org for disclosure information.
Poster Discussion 2 Discussant/Committee Member	N/A	George	Sledge	Dr. Sledge has disclosed that he is a consultant/advisor with Genetech and Genomic Health.
Brinker Award Speaker/Year in Review Speaker/General Session 6 Discussant	Early Breast Cancer: 2009	Ian	Smith	Dr. Smith has disclosed that he is a meeting participant/lecturer for Roche, GSK, Novartis, Pfizer, Genetech and sanofi-aventis.
Poster Discussion 1 Discussant		Christos	Sotiriou	Dr. Sotiriou has no relevant financial relationships to disclose.
Committee Member	N/A	Sandi	Stanford	Ms. Stanford has no relevant financial relationships to disclose.
Committee Member	N/A	Vered	Stearns	Dr. Stearns has no relevant financial relationships to disclose.
Committee Member	N/A	Patricia	Steeg	Information not available at press time. Visit SABCS.org for disclosure information.
Educational Session "Technologies for Translational Research" Speaker	Sequencing of breast cancer genome	Michael	Stratton	Dr. Stratton has no relevant financial relationships to disclose.

SABCS Disclosure Report
2009

Educational Session "The Basics of Epigenetics, and its Biological and Clinical Relevance" Speaker/Poster Discussion 5 Discussant/Committee Member	DNA methylation – Role in Gene Regulation, and methods to study it	Saraswati	Sukumar	Dr. Sukumar has disclosed that she is a board member/officer/trustee with Susan G. Komen Foundation. She has also disclosed that she is a consultant/advisor with Windy Hill II (defunct)/end of 2008 Oncometlime SCII.
Committee Member	N/A	Rajeshwar Rao	Tekmal	Dr. Tekmal has no relevant financial relationships to disclose.
Committee Member	N/A	Elizabeth	Thompson	Ms. Thompson has no relevant financial relationships to disclose.
Committee Member	N/A	Thea	Tlsty	Dr. Tlsty has no relevant financial relationships to disclose.
Committee Member	N/A	Naoto	Ueno	Dr. Ueno has no relevant financial relationships to disclose.
Committee Member	N/A	Ratna	Vadlamudi	Dr. Vadlamudi has no relevant financial relationships to disclose.
Poster Discussion 3 Discussant		Kimberley	Van Zee	Dr. Van Zee has no relevant financial relationships to disclose.
Committee Member	N/A	Laura	van't Veer	Dr. van't Veer has disclosed that she is an employee of Agendia. She has also disclosed that she is a minor stock holder-Agendia.
Case Discussion Panelist		Gunter	von Minckwitz	Dr. von Minckwitz has no relevant financial relationships to disclose.
AACR Distinguished Lectureship in Breast Cancer Research Speaker	Breast Cancer Stem Cells and the Epithelial-Mesenchymal Transition	Robert	Weinberg	Information not available at press time. Visit SABCS.org for disclosure information.
Mini-Symposium 1 "Emerging use of nanotechnology in cancer diagnosis and therapy" Speaker	Diagnostic and Therapeutic Applications of Nanotechnology	Jennifer	West	Dr. West has disclosed that she is a board member/officer/trustee for Nanospectra Biosciences, Inc. She has also disclosed that she has investment interest with Nanospectra Biosciences, Inc.
Educational Session "RNAi and Target Discovery" Speaker	TBA	Thomas	Westbrook	Information not available at press time. Visit SABCS.org for disclosure information.
Clinical Science Forum: Controversies in Adjuvant Chemotherapy Speaker/Committee Member	What are the best, most highly effective chemotherapy regimens?	Eric	Winer	Dr. Winer has no relevant financial relationships to disclose.
Case Discussion Panelist		Wei	Yang	Dr. Yang has no relevant financial relationships to disclose.
Committee Member	N/A	Douglas	Yee	Dr. Yee has disclosed that he is a consultant/advisor with Roche and does scientific study/trials for Pfizer.
Committee Member	N/A	I-Tien	Yeh	Dr. Yeh has no relevant financial relationships to disclose.
Committee Member	N/A	Zhi-Min	Yuan	Information not available at press time. Visit SABCS.org for disclosure information.
Poster Discussion Session 10 Discussant/Committee Member	N/A	Richard	Zellars	Information not available at press time. Visit SABCS.org for disclosure information.
