

July 28, 2020

Dear Colleagues,

We are very pleased to announce that the San Antonio Breast Cancer Symposium will take place in 2020. In response to the novel coronavirus (COVID-19) global pandemic, the SABCS Executive Committee has made the decision, out of necessity to ensure the health, safety and security of all SABCS attendees and the patients and communities they serve, to hold the 2020 SABCS virtually. The dates will remain the same December 8-12, 2020.

While we look forward to holding SABCS as an in-person meeting in the future having an interactive virtual SABCS will allow us to present and discuss the latest developments in breast cancer research and practice to an international audience. We have had over 1300 abstracts submitted thus far. All components of the Symposium will be delivered as planned including educational sessions, lectures, discussions, posters, exhibits.

Registration fees have been reduced. If you have registered and paid, SABCS will refund any amount owed.

SABCS is working with Orchid.Events to cancel all hotel reservations booked through the official housing provider. It is not necessary to email or contact Orchid.Events about your hotel reservation cancellation. You will receive notification in the coming days about the cancellation of your hotel reservations. If you made your reservation direct with your hotel, please contact your confirmed hotel directly to make the cancellation.

We will be sending detailed information about the virtual program soon. Please visit our website www.sabcs.org for details as they are posted.

We look forward to your active and expert participation in the virtual SABCS. Thank you for your dedication and for your continued support of SABCS.

Sincerely,

Carlos L. Arteaga, MD, UTSW Harold C. Simmons Comprehensive Cancer Center
Virginia G. Kaklamani, MD, UT Health MD Anderson Cancer Center
C. Kent Osborne, MD, Dan L Duncan Comprehensive Cancer Center, Baylor College of Medicine
