

Welcome Letter Request Form

2020 San Antonio Breast Cancer Symposium • December 8-12, 2020

Henry B. Gonzalez Convention Center
San Antonio, Texas

If you are traveling to the symposium from outside the United States and require a visa or a letter for your institution/university, SABCS® wishes to support your efforts to secure the needed travel documentation to attend the symposium. Individuals that require a Welcome Letter must first register and pay for the symposium. Individuals who require an entry visa should register, pay and request their Welcome Letter well in advance of the symposium to allow sufficient time to complete the application process.

Welcome Letters will be sent electronically as a pdf file. An original signed paper copy of a Welcome Letter may be requested and will be sent by airmail unless an express mail account number is provided. We regret that current postal services prevent us from mailing letters to Burma (Myanmar), Cuba, Iran, North Korea, Sudan, and Syria. We do not mail Welcome Letters directly to Embassies or US addresses. Please allow 7-10 U.S. business days for processing requests. SABCS is not able to contact Embassies in support of an individual attempting to gain entry into the United States to attend the San Antonio Breast Cancer Symposium.

The deadline to request a Welcome Letter is November 18, 2020
